**TRANSMITTAL LETTER  
REGARDING PRIOR ART**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The above application has been allowed and counsel has now been informed that in the basic Japanese application two Japanese publications were cited, namely No. 11-065494 and 10-232895. It is believed by the Japanese attorney that these references are no more pertinent than the references already applied by the Examiner. In an abundance of caution a copy of the two Japanese references and English abstracts are enclosed.

It is understood that this prior art will not be considered but it is placed in the file for full disclosure.

Respectfully submitted,

JACOBSON HOLMAN PLLC
